WorshipVoice is Led by Scott and Vonda Dyer

Scott and Vonda may be familiar to you from their longtime tenure at Willow Creek Community Church, where they frequently served onstage and off at Willow Conferences. Vonda was the Director of Vocal Ministries at Willow Creek for 6 years. Scott is the worship pastor at Bent Tree Bible Fellowship in Dallas, and was on staff at Willow Creek for 14 years prior to coming to Texas. Together, they have 30 years experience teaching private voice, and Vonda's students have included Word recording artists BarlowGirl, and Mike Manning, currently on tour with Demi Lovato. Scott and Vonda have great passion for the local church, and a strong desire to equip singers to reach their God-given potential and enjoy the freedom and fullness of worship that God created them to experience.
